(2) There shall be paid on all commercial vehicles, irrespective of body type, and on all farm vehicles having a maximum gross weight in excess of sixty thousand (60,000) pounds, an annual registration fee in the amount prescribed by subsection (8) of this section, as applicable.

(4) As an option to the trailer and semitrailer and rental utility trailer annual registrations issued pursuant to subsection (3) of this section, the department may provide a nonexpiring plate and registration for trailers and semitrailers, and an optional, extended registration for rental utility trailers.

(a) For trailers and semitrailers, the nonexpiring registration fee shall be ninety-nine dollars (\$99.00). The license plate shall remain on the trailer or semitrailer until the registration is canceled or revoked. No part of the fee is subject to refund. However, the registrant may transfer the nonexpiring plate and registration to another trailer or semitrailer titled to the registrant if the original registration date is prior to July 1, 2009. The registration document shall be the official record of the status of the nonexpiring registration and no registration fee shall be required after the initial registration is paid. No validation sticker shall be required or issued for such nonexpiring license plate.

1 (i) Registration of a trailer or semitrailer based in another ju-

5 (ii) Periodic verification will be made to confirm ownership sta-
6 tus. Failure of the owner to comply with the verification request
7 to confirm ownership within thirty (30) days, shall result in can-
8 cellation of the permanent plate registration.

9 (b) Idaho based trailer manufacturers may purchase trailer and semi-
10 trailer registration from the department. The manufacturer may issue
11 the annual registration to foreign-based purchasers utilizing a manu-
12 facturer's certificate of origin or manufacturer's statement of origin
13 as proof of ownership. If the foreign-based purchaser subsequently ob-
14 tains an Idaho nonexpiring registration as provided in paragraph (a) of
15 this subsection prior to annual registration expiration, the amount of
16 the annual registration fee shall be applied to the nonexpiring regis-

18 cle.

19 (c) For rental utility trailers, the registrant may prepay the annual
20 registration for an additional one (1), two (2), three (3) or four (4)

23 or (c) of this section. A pressure-sensitive sticker shall be used to
24 validate the license plate. The license plate shall become void if the
25 owner's interest in the rental utility trailer changes during the five
26 (5) year period. If the owner fails to enter the rental utility trailer
27 on the annual renewal application during the five (5) year period, the
28 registration record shall be purged. Any unrenewed plate shall be re-
29 turned to the department if it is not entered on the renewal applica-
30 tion.

31 (5) A fleet registration option is available to owners who have
32 twenty-five (25) or more commercial or farm vehicles or any combination
33 thereof. Such owners may register all of their company vehicles with the
34 department in lieu of registering with a county assessor. To qualify the
35 fleet must be owned and operated under the unified control of one (1) person
36 and the vehicles must be physically garaged and maintained in two (2) or more
37 counties. Fleet registration shall not include fleets of rental vehicles.
38 The department shall provide a registration application to the owner and the
39 owner shall provide all information that the department determines is neces-
40 sary. The department shall devise a special license plate numbering system
41 for fleet-registered vehicles as an alternative to county license plates.
42 The fleet registration application and all subsequent registration renewals
43 shall include the physical address where a vehicle is principally used,
44 garaged and maintained. The fleet owner shall report the physical address to
45 the department upon initial registration, on each renewal, and at any time a
46 vehicle registered under this option is permanently transferred to another
47 location.

48 (6) If the ownership of a vehicle changes during the registration pe-
49 riod, the original owner may transfer the plate to another vehicle. The re-
50 maining fee shall be credited against the cost of the new registration. Re-

1 funds may be given for any unexpired portion of the vehicle registration fee
 2 if the plate is not transferred by the owner to another vehicle. Any request
 3 for refund shall include surrender of the license plate, validation sticker
 4 and registration document. Owners of vehicles registered under the inter-
 5 national registration plan may request a refund of the unexpired portion of
 6 the Idaho vehicle registration fee by presenting evidence from the base ju-
 7 risdiction that the license plate, validation sticker and registration doc-
 8 ument have been surrendered. A license plate shall not be transferred to an-
 9 other owner when the ownership of a vehicle changes. The owner shall obtain a
 10 replacement plate, validation sticker if required, and a registration docu-
 11 ment when a plate is lost, destroyed or becomes illegible.

12 (7) An administrative fee of four dollars (\$4.00) shall be paid and de-
 13 posited to the state highway account on all registrations completed by the
 14 department under subsection (1) or (8) (a) of this section. Vehicles regis-
 15 tered under subsection (8) (b) of this section shall pay the fee provided in
 16 section 49-435(2), Idaho Code.

17 (8) There shall be paid on all commercial and farm vehicles having a
 18 maximum gross weight in excess of sixty thousand (60,000) pounds, a regis-
 19 tration fee based upon the maximum gross weight of a vehicle as declared by
 20 the owner and the total number of miles driven on roads and highways in the
 21 state, county, city and highway district systems in Idaho, and if registered
 22 under the international registration plan (IRP), in all other jurisdic-
 23 tions. The appropriate registration fee shall be determined as follows:

24 (a) If the owner registers vehicles under the international registra-
 25 tion plan (IRP), the appropriate mileage column shall be determined by
 26 the total miles an owner operated a fleet of vehicles on roads and high-
 27 ways in the state, county, city and highway district systems in Idaho
 28 and in all other jurisdictions in the preceding year, as defined in sec-
 29 tion 49-117, Idaho Code, and by the maximum gross weight of each vehicle
 30 within a fleet.

31 (b) If the owner registers vehicles under the international registra-
 32 tion plan and determines that the average international registration
 33 plan fleet miles, calculated by dividing the total IRP fleet miles in
 34 all jurisdictions by the number of registered vehicles, is less than
 35 fifty thousand one (50,001) miles, the owner may apply to the depart-
 36 ment for refund of a portion of the registration fees paid, consistent
 37 with the fee schedules set forth in this section. The department shall
 38 provide an application for the refund. An owner making application for
 39 refund under this section shall be subject to auditing as provided in
 40 section 49-439, Idaho Code.

41 (c) If the owner is not registering vehicles under the international
 42 registration plan, the appropriate mileage column shall be determined
 43 by the total miles the owner operated each of the vehicles to be regis-
 44 tered on roads and highways in the state, county, city and highway dis-
 45 trict systems in Idaho in the preceding year and by the maximum gross
 46 weight of each vehicle.
